

FLUPA & S&R Underwater are taking reservations for our annual dive trip to Canada. This year our dates are for Sat. Aug. 28th & Sun. 29th . We will be diving with PROTEUS DIVE CHARTER (www.proteusdiving.com) . They have a 16 passenger boat with plenty of accommodations for all divers and gear. This is a private charter with only our divers on board. The boat is ours for the day with no rush to return and they provide a grill for lunch onboard. We will take a collection for Hamburgers & hot dogs. The cost will be \$80.00 per diver per day plus tips for crew. tips will be collected and given to crew upon completion and return to dock. Your choice for accommodations and you will need to make your reservations as some take the family as Kingston is a great place to visit. Our recommendation is the Comfort Inn 55 Warne Crescent Rd.,Kingston, Ont. 613 -546-9500. There are other motels on Proteus web site with reasonable rates. Please let Us know if you are interested as this trip books up fast . A deposit of \$80.00 per diver will be required by July 1 and balance due by August 1.
